FOOTBALL AWARDS

2022

Unsung Hero

A special award recognising those unsung heroes, who are often unnoticed by the public, but without whom clubs simply could not function. This award is dedicated to those individuals making a significant, yet unrecognised, contribution to their Club and the sport.

Any club employee in a support role is eligible for this award including groundsmen, catering staff, cleaning team, administrative staff, etc. Judges are looking to uncover anyone who has made a real difference behind the scenes.

This is a chance for you to say a big thank you to those who sometimes may be overlooked.
